It has been accurately said that “Freedom is everyone’s job” and we agree. We are committed to helping those American heroes, and their families, who stand at the ready to defend our Nation, and to keep our homeland safe. Some Gave All – The Joey Graves Foundation was established to honor not only SPC Joseph A Graves – KIA 25 Jul 06 Baghdad, Iraq – but all those who have given to their Country by answering the call to duty. As the Foundation grows, we envision providing assistance to various organizations and causes, all related to the premise that we have a solemn duty to help those who are willing to risk all for every American and their Freedom, especially when the ultimate price has been paid by our brave men and women. <http://somegaveall.us/>.

ThanksUSA

ThanksUSA is a non-partisan, charitable effort to mobilize Americans of all ages to "thank" the men and women of the United States armed forces. However, preference will be given to children or spouses of military members killed or injured on active duty. Scholarships are selected on the basis of financial need; academic record; demonstrated leadership and participation in school and community activities; and a goal statement. Since 2006, they have awarded 2,200 scholarships with a total value of nearly \$6.5 million. For more information or to download an application, go to: <http://www.thanksusa.org/main/about.html>.
